Then the days became shorter. Leaves fell from the trees. My child was a student. My home was much quieter. I was about 45 years old. I started walking more slowly. I had more time. I understood this was my autumn, a beautiful time when the trees change colour and give us delicious fruit.

Now the days become shorter and colder. Winter comes. I am older and weaker. I know I do not have many days left, but I will enjoy them to the end.
